

Fear, Depression and Anxiety
Week 3: Review, Growing in Wisdom and Psychiatric Medicine
NewCity Church, Falls Church, VA 2/14/2016

God loves each one of us as if there were only one of us. – Augustine

The love of the Father is the same for all whom he has chosen to love. Whom God loves he loves to the end, and he loves them all alike. On whom he sets his love, it is set for ever. God's love does not grow to eternity or lessen in time. God's love is an eternal love that had no beginning and that shall have no end. It is a love that cannot be increased by anything we do and that cannot be lessened by anything in us. – John Owen
